I started blogging and podcasting in 2010 with the popular metaphysical blog, The Mystic Review. After returning to Christianity, in 2017, I shut down the my site and tried a few different blog ideas before settling on a new blog about spiritual warfare, Catholicism and related books and media called [OfLightAndDark.com](https://OfLightAndDark.com) I also have a new podcast at [NewAgeToCatholic.com](https://NewAgeToCatholic.com) and an author website at [BarbaraGraver.com](https://BarbaraGraver.com).

## MY ETSY SHOP

### CATHOLIC BOOK AND CARD

I started my etsy shop in 2020 during the COVID19 lockdown. I began by creating printable prayer cards using traditional Catholic prayers and artwork and then branched out into prayer pamphlets and coffee mugs. I am hoping to add at least one of ebooks to the shop when it is finished, if it is not too dark.

## UPCOMING FICTION

### CATHOLIC PARANORMAL FICTION

The old Mayfield Farm seemed like the perfect home for Annabel and Michael Reilly's young family, up until they discover the small overgrown cemetery at the edge of the woods. For Annabel, who once dreamed of being a PA Paranormal investigator, the voices she records at the old cemetery are fascinating. For Michael, however, there is something sinister about the spot right from the start.
