MY ETSY SHOP

CATHOLIC BOOK AND CARD

I started my etsy shop in 2020 during the COVID19 lockdown. I began by creating printable prayer cards using traditional Catholic prayers and artwork and then branched out into prayer pamphlets and coffee mugs. I am hoping to add at least one of ebooks to the shop when it is finished, if it is not too dark.

UPCOMING FICTION

CATHOLIC PARANORMAL FICTION

The last thing fae tracker, Miranda O'Malley, wants to do is relive the past - and agreeing to let her ex vampire boyfriend, Nick Markovich, join the search for her missing sister, Lily, does not change that fact. But as the pair follow Lily's trail through the dark and hidden worlds of vampire and fae, Miranda begins to realize that nothing - past or present - is quite what it seems.
