ABOUT ME

I'm a Catholic writer, podcaster and Etsy shop owner with a past history in the New Age and occult. I now raise awareness about the dangers of modern-day occultism through my active multimedia blog and podcast - New Age To Catholic. I've been interviewed on podcasts, internet TV and local radio. If you think I might be a good fit for your show, please email me at contact@barbaragraver.com

NEW AGE TO CATHOLIC

I started blogging in 2010 with the popular metaphysical blog, The Mystic Review. After leaving the New Age and occult in 2017 I shut down my blog and I made my way back to my Catholic faith. In 2020 I started New Age To Catholic to share new blog posts and podcasts. You can find the New Age To Catholic podcast on most popular podcast apps, on my website at NewAgeToCatholic.com and on my YouTube channel.

UPCOMING NONFICTION

"Of Light and Dark" is my personal testimony. It tells the story of how I became deeply involved in the New Age and occult, what I discovered there and why I returned to the Catholic faith I had left behind some twenty years earlier. For more on this topic please check out my blog and podcast at NewAgeToCatholic.com. This ebook will be available on Amazon and in my Etsy shop in early 2024

A CATHOLIC FRIENDLY VAMPIRE STORY

CATHOLIC PARANORMAL FICTION

The last thing vampire tracker, Miranda O'Malley, wants to do is repeat the past - and agreeing to let her ex-boyfriend, vampire, Nick Markovich, join in the search for seventeen-year-old Ashley Clements does not change that fact. But there is more to Ashley's disappearance than meets the eye and, as the pair track a murderer through New Boston's infamous Vampire District, Miranda begins to realize that nothing - past or present - is quite what it seems.

MY ETSY SHOP

I opened Catholic Book And Card in 2020 during the COVID19 lockdown. I began by creating printable prayer cards using traditional Catholic prayers and artwork and then branched out into prayer pamphlets and coffee mugs and book related gift items. I am hoping to add at my testimony to the shop in early 2024.

MEDIA

I blog and podcast on spiritual warfare, the Catholic faith and related topics.

WRITING

I have been blogging for over ten years and will be publishing my first ebook in 2024

DESIGN

I design and sell Catholic prayer cards and prayer pamphlets through my Etsy shop.
